We are also starting next year with \$93,000 less in our budget as we will need to continue fundraising in order to make up for this. Next year there will be many changes made in regards to safety. Councilman Vallone is also funding the school with \$400,000 for a camera system and Mrs. Dimilta publicly thanked all the politicians for their continued support. We have \$850,000 for the camera system that was funded from both Vallone and Avella and we will be receiving an additional \$50,000 for technology from Vallone. Mrs. Dimilta also thanked Mrs. Lee and Mrs. Baker. The camera installation will begin in approximately 8-9 months.
